**CERTIFICATE OF MAILING UNDER 37 CFR 1.8**

Dear Sir:

Upon receipt of a Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures, mailed July 8, 2004, for the above-referenced patent application, Applicants called Mark Spencer at 571-272-2570 on July 13, 2004 to inquire why a new disk was required simply to include the Serial Number which Applicants did not have upon initial submission of the application. Mr. Spencer stated that the Error Report should not have been mailed and that the error has been corrected. Accordingly, Applicants believe it is not necessary to submit a new disk. Applicants submit herewith a copy of the Formalities Letter and the Sequence Listing Error Report.

I hereby certify under 37 CFR 1.8 that the following correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage on the date indicated below and is addressed to MS MISSING PARTS, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450. Please return the enclosed postcard acknowledging receipt of this correspondence.

Respectfully submitted,
